

FIELD FENCE

Field Fence

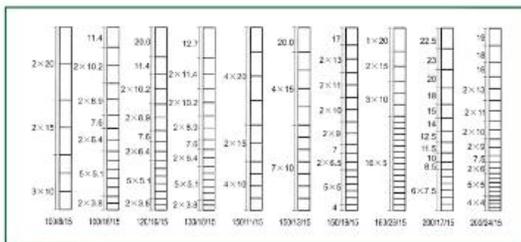

The fence is produced with hot dip galvanized steel wires. This is another effective, economical wildlife-proof fence. It can be used as the barrier along the roadside to protect animals away or as the fence in the farmland.

- Top and bottom wire: 2.5mm
- All other wires: 2.0mm
- In length of 50m roll

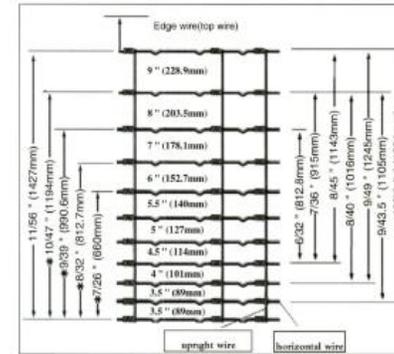

Size available

SPECIFICATION	REF.WEIGHT(KGS)
100/8/15	21
100/16/15	32.5
120/16/16	34
130/18/15	37
150/11/15	29
150/13/15	34
150/19/15	42
160/23/15	34
200/17/15	68
200/24/15	53

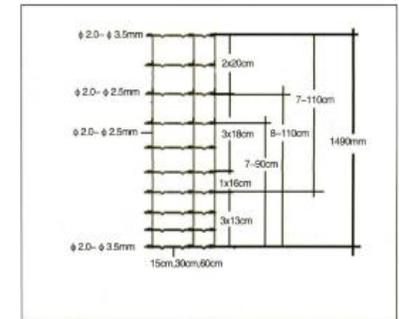

- Uses: The fence for field; meadows; pastures and orchards, etc...
